

# Melbourne Restorative Practices Group

## SEEKING EXPRESSIONS OF INTEREST

*Are you interested to connect with others who share a passion for restorative justice & restorative practices?*

*Are you interested in practicing the skills required to prepare and convene a Group Conference in various settings?*

If so, we invite you to join with colleagues, and look forward to hearing from you!

A group of like-minded practitioners, who have completed the 3 day introductory Group Conferencing training, are planning a Melbourne-based practice group. We have varying levels of experience, and are planning opportunities to practice together. AARJ strongly supports this initiative, and can offer technical support.

Please email Lena Lettau with an expression of interest by COB 1st of March, 2021. We will be in touch with further details, and will seek your input into the shaping of the group.

\*If you are based interstate and are nonetheless interested in joining us, please get in touch. We may be able to run some sessions online, and can perhaps support colleagues to establish other local practice groups, and strengthen our social movement.
