Setting Relations Right in Restorative Practice

Broadening Mindsets and Skill Sets

By **David B. Moore & Alikki Vernon**

Setting Relations Right in Restorative Practice is a practical guide to using restorative processes, both in justice systems, to provide a healing response to harm, and in broader community contexts, to help people co-exist peacefully.

This book is essential reading for restorative practitioners, administrators, and policymakers, for students and researchers – indeed, for anyone interested in the power and potential of restorative practice and other forms of deliberative decision-making.
